TECHNICAL SKILLS

Python
Java
C / C++
SQL
Algorithm

SOFT SKILLS

- Teamwork
- Communication
- Problem Solving
- Time Management

CERTIFICATIONS

- ✦ Python Programming in AI Tech
- ✦ SQL and Database Management
- ✦ Web Development Fundamentals

LANGUAGES

Tamil — Native
English — Proficient

PROFILE

Motivated and enthusiastic Computer Science Engineering student with a strong foundation in programming, web development, and database management. Skilled in Python, Java, HTML, CSS, JavaScript, and SQL. Experienced in developing academic projects focused on management systems and problem-solving applications. Passionate about creating efficient software solutions, learning emerging technologies, and contributing to innovative development teams. Seeking opportunities to apply technical knowledge and grow as a Full Stack Developer.

EDUCATION

Bachelor of Computer Science and Engineering

National Engineering College
2024 - 2028 | CGPA: 7%

Higher Secondary Education (HSC)

Emmanuel Matric Hr Sec School
Percentage: 76%

Secondary School Education (SSLC)

Emmanuel Matric Hr Sec School
Percentage: 68%

PROJECTS

Ration Shop Management System(Java)

- Developed a computerized system to manage ration card holders, inventory, and product distribution.
- Designed and maintained a relational database for customer and stock information.
- Improved record management and reduced manual processing errors significantly.
- Implemented efficient data retrieval and reporting functionalities for administrators.

Theatre Seating Management System(C++ oops concepts)

- Developed a seat booking and management system for streamlined theatre operations.
- Implemented seat allocation and real-time availability tracking features.
- Designed a user-friendly interface for intuitive reservation management.
- Integrated database functionality for persisting booking details and customer information.

ACHIEVEMENTS

- ★ Secure 3rd price in Code event in Coimbatore Institute of Technology
- ★ Completed technical certification programs in AI for Techies.
- ★ Active participant in coding practice platforms and continuous technical self-learning activities.
